

Breckenridge Grand Vacations Announces National Award Finalists

BRECKENRIDGE, Colo.—February 4, 2010—A group of locals who work for Breckenridge Grand Vacations, the developers of Gold Point Condominiums, Grand Timber Lodge and the Grand Lodge on Peak 7, have been recognized by the American Resort Development Association (ARDA) as ARDY Silver Award Winner Finalists for 2009.

By making it to the finals, these employees are being recognized by timeshare industry leaders as the “best of the best” in the vacation ownership business. As part of their nomination, the finalists will travel to Las Vegas where they will attend the Black Tie Gala awards ceremony to be held on Wednesday, March 17th, 2010 at The Venetian Resort Hotel & Casino. During the course of this special event, one silver finalist from each category will be awarded the ARDY Gold Award, which recognizes the number one outstanding employee for that category in the entire national timeshare industry.

The developers of the Breckenridge Grand Vacations family of resorts have also been recognized by ARDA for their own outstanding achievement as some of the most successful independent developers in the industry. Mike Millisor, Rob Millisor and Mike Dudick, were awarded the ARDY Employer of Choice Award in 2005. When asked about his feelings on this year’s nominations and finalists, Rob Millisor was quoted as saying, “ARDA is the trade organization for the timeshare industry, and these staff members are considered the best in the business at their respective positions. We are extremely proud of each of their accomplishments and wish them the best of luck in Las Vegas next month. We are confident that they will bring home the gold– but, of course, they are already winners with us!!”
