

## **Green Team: Go Green to Work Day**

Breckenridge Grand Vacations, developers of Gold Point Resort, Grand Timber Lodge and the Grand Lodge on Peak 7, has instituted a monthly Go Green to Work Day for all employees. On the fourth Friday of each month, employees are encouraged to walk, bike, bus or carpool to work.

This initiative is a result of the company's "Green Team." The Green Team was established a year and a half ago "to promote sustainability in the company and the community through initiatives that raise awareness, educate and encourage green practices."

The first Go Green to Work Day was held on Earth Day 2011, which was April 22<sup>nd</sup>. Nearly 100 Breckenridge Grand Vacations employees participated and were recognized by wearing a "Think Green" sticker that indicated their participation.

The Breckenridge Grand Vacations Green Team would like to challenge all local businesses to find ways of encouraging their employees to take the green route to work.
